Subject: Application for the Position of Hairdressing Trainer

Dear Sir/Madam,

I am writing to apply for the position of Hairdressing Trainer at your esteemed institution. Although I studied the **MPC combination (Mathematics, Physics, and computer)** in secondary school, I have also pursued hairdressing as an extracurricular passion, and completed six months of professional training in this field.

Throughout my training, I gained practical experience in a variety of beauty techniques, including hair shaving, twisting, nail care (manicure and pedicure), and makeup application. These hands-on skills have helped me develop confidence not only in performing services but also in demonstrating and teaching them to others.

My strong academic background in MPC has developed my discipline, critical thinking, and problem-solving abilities, which I bring into everything I do—including my work in hairdressing. I am also a fast learner, hardworking, and highly motivated to help others grow. I believe my blend of academic strength and practical beauty skills makes me a well-rounded candidate to become a trainer.

I would be honored to contribute to your team and help empower others with beauty skills that can lead to professional opportunities. Please feel free to contact me at igihozonatacha2004@gmail.com or (+250) 783078404 for further information.

Thank you for considering my application. I look forward to the opportunity to work with you.

Yours faithfully,

IGIHOZO NATACHA
